Disciplinary Measures and Sanctions

- 5-6.01 A disciplinary measure shall take the form of a letter of warning, reprimand or suspension. A suspension may be with or without total salary. A suspension cannot last more than thirty (30) workdays, unless there is an agreement to the contrary between the board and the union.
- 5-6.02 All disciplinary measures must originate from the board or the school administration in accordance with this article.
- 5-6.03 Normally, a letter of reprimand shall be issued only if it has been preceded by at least one written warning on the same subject or a similar subject.
- 5-6.04 A letter of warning, reprimand or suspension must outline the reasons for the disciplinary measure. In the case of a suspension, the duration of the suspension must be indicated.

- 5-6.05 Every teacher receiving a disciplinary measure shall be summoned to a meeting where the disciplinary measure will be issued. The teacher must receive a written notice at least forty-eight (48) hours before the meeting specifying the subject to be discussed. Such a notice shall also be given to the union delegate.
- 5-6.06 Every teacher summoned for disciplinary reasons is entitled to be accompanied by the union delegate or by another union representative. The union delegate, if necessary, shall be released from his or her teaching duties for the time required for the meeting with the school administration.
- 5-6.07 The letter of warning, reprimand or suspension shall be given to the teacher in question and a copy thereof shall be forwarded to the union. For the sole purpose of acknowledging that he or she knows the content thereof, the letter must be countersigned by the teacher. If the teacher fails to countersign the letter, the union delegate or, in his or her absence, another person must sign to acknowledge the fact that a disciplinary letter has been given or sent to the teacher in question.

- 5-6.10 Within fifteen (15) workdays of receiving a letter of warning, reprimand or suspension, the teacher may make written comments he or she feels are relevant to the disciplinary measure and have the comments entered in his or her personal file.
- 5-6.11 Every letter of warning placed in the teacher's personal file shall become null and void one hundred (100) workdays after the date on which it is issued unless it is followed by a disciplinary measure on the same subject or a similar subject within that period.
- 5-6.12 Every letter of reprimand placed in the teacher's personal file shall become null and void two hundred (200) workdays after the date on which it is issued unless it is followed by a disciplinary measure on the same subject or a similar subject within that period.

- 5-6.13 Every letter of suspension placed in the teacher's personal file shall be withdrawn from the said file three hundred (300) workdays after the beginning of the suspension unless it is followed by a disciplinary measure on the same subject or a similar subject within that period.
- 5-6.14 In the case of a subsequent disciplinary measure within the time period prescribed in clause 5-6.11, 5-6.12 or 5-6.13, the expiry date of the first measure shall automatically be carried forward to the expiry date of the second measure.

- However, the balance of days necessary to complete the period prescribed may be workdays or leave. A parental leave or a leave caused by circumstances beyond the teacher's control shall be counted as workdays.
- 5-6.16 Any disciplinary letter that has become null and void shall be returned to the teacher. The comments entered under clause 5-6.10 shall also become null and void and shall be returned to the teacher at the same time as the disciplinary letter to which the comments refer.
- 5-6.17 Upon prior notification of at least forty-eight (48) hours and at any time during the board's regular office hours, the teacher accompanied or not by a union representative, may consult his or her personal file on the condition that he or she provide proof of his or her identity, if necessary.

- 5-6.20 Any disciplinary measure issued prior to the coming into force of this article shall be governed by the provisions of the agreement in force at the time it was issued, unless the board and union agree otherwise.

5-7.00 **DISMISSAL**

5-7.01 The board may only terminate a teacher's contract of engagement for one of the following reasons: incapacity, negligence in the performance of his or her duties, insubordination, misconduct or immoral behavior.

5-7.02 The board or the school administration may relieve the teacher temporarily of his or her duties, with or without total salary.

5-7.03 The teacher and the union must be informed in writing by registered letter, certified mail or some other verifiable means determined by the Board of:

- a) the board's intention to terminate the teacher's engagement;
- b) the date, time and place on which the Board will consider terminating the teacher's contract of engagement. The Association and the teacher concerned may intervene and be present during the vote at the public meeting.

The teacher concerned and/or the Association shall be granted a private hearing with the Council of Commissioners prior to its making a decision if so requested by the teacher concerned and/or the Association. The Association's presence at these meetings shall be at the request of the teacher concerned.

- c) the basic facts, for information purposes, and the reasons supporting the intention to dismiss the teacher, without prejudice. No objection may be based on the insufficiency of the facts provided.

5-7.04 As soon as the union is notified, it may investigate and make the representations it deems necessary.

5-7.05 A teacher's contract of engagement may only be terminated between the fifteenth (15th) and the thirty-fifth (35th) working days from the date on which the teacher was relieved of his or her duties, unless the board and the union agree in writing on an extension of the time limit.

The contract may be terminated only after deliberations at a meeting of the council of commissioners or of the board's executive committee.

5-7.06 At least twenty-four (24) hours before the meeting is held, the union shall be notified of the date, time and place where the decision to terminate or not the engagement shall be made. The union and the teacher concerned may intervene and be present during the vote at the public meeting. The union and the board shall determine the terms and conditions of the intervention.

- 5-7.07 Within three (3) workdays of the board's decision, the board shall send a notice to the teacher and the union by registered or certified mail, by fax, or delivered by hand or bailiff of its decision to terminate or not the teacher's contract of engagement and, as the case may be, of the date on which the teacher resumed or is to resume his or her duties.
- 5-7.08 If the board does not terminate the contract of engagement within the time limit prescribed, the teacher shall regain all his or her rights, including total salary, as though he or she had never been relieved of his or her duties.
- 5-7.09 In the case where criminal action is taken against the teacher and the board considers that the nature of the accusation causes it serious prejudice as an employer, it may relieve the teacher of his or her duties without total salary until the conclusion of his or her trial. The time limit prescribed in clause 5-7.05 shall begin as of the date on which the teacher informs the board that he or she has received a judgment; such notification must be given within twenty (20) days of the date on which the judgment was issued.
- 5-7.10 The board agrees not to invoke the absence of legal qualifications to terminate the contract of a teacher engaged as such.
- 5-7.11 Should the union wish to submit a grievance, it must do so in accordance with article 9-2.00.
- 5-7.12 The arbitrator hearing the grievance shall decide whether the procedure prescribed for the dismissal was followed and whether the reasons given by the board in support of such a dismissal constitute one of the reasons for termination specified in clause 5-7.01.
- The arbitrator may modify or annul the board's decision, if the procedure prescribed was not followed or if the reasons for dismissal are not justified or do not constitute sufficient cause for dismissal, may order that the teacher in question be reinstated in his or her duties and may determine, if need be, the amount of the compensation to which he or she is entitled.
- 5-8.00 **NON-REENGAGEMENT**
- 5-8.01 This article applies to regular teachers only.
- 5-8.02 The board may decide to non-reengage a teacher for one of the following reasons only: incapacity, negligence in the performance of his or her duties, insubordination, misconduct, immoral behaviour and surplus of personnel within the framework of article 5-3.00.

- 5-8.03 The union must be informed no later than May 15th of each year, by means of a list to this effect, sent by registered or certified mail, by fax, or delivered by hand or bailiff, of the board's intention not to renew the engagement of one or more teachers. The board must also forward such a notice to the teacher concerned. However, this clause does not apply to non-reengagement because of a surplus of personnel within the framework of article 5-3.00.
- 5-8.04 As soon as the union receives the list, it may investigate and make the representations it deems necessary.
- 5-8.05 At least twenty-four (24) hours before the meeting is held, the union shall be notified of the date, time and place where the decision regarding non-reengagement shall be made.
The union and the teacher concerned may intervene and be present for the vote during the public meeting. The board and the union may determine the terms and conditions of the intervention.
- 5-8.06 The board must, before June 1st of the current school year, send a written notice by registered or certified mail, by fax, or delivered by hand or bailiff to the teacher concerned and the union of its decision not to renew the engagement of the teacher for the following school year. The notice must contain the reason or reasons justifying the board's decision.
- A decision concerning a non-reengagement may be made at a meeting of the council of commissioners or of the board's executive committee only.
- 5-8.07 The union may, if it claims that the procedure provided for in this article was not followed, submit a grievance to arbitration in accordance with article 9-2.00.
- 5-8.08 The union may, if it contests the reasons given by the board, submit a grievance to arbitration in accordance with article 9-2.00, but only if the teacher has been in the employ of a board, a school administered by a government ministry or another educational institution designated by the Minister, in which he or she held, with the same employer, a pedagogical or educational position³ for two (2) periods of one hundred and sixty (160) workdays or more or, if there was a change in employer, three (3) periods of one hundred and sixty (160) workdays. Each period falls in a distinct year of engagement included in a continuous period not exceeding five (5) years.

¹ Within the meaning of the Règlement définissant ce qui constitue une fonction pédagogique ou éducative aux fins de la Loi sur l'Instruction publique (L.R.Q., 1981, c. I-14, r. 9) in effect on June 30, 1989.

- 5-8.09 The arbitrator hearing the grievance shall decide whether the procedure prescribed for the non-reengagement was followed and, where applicable, whether the reason or reasons given by the board in support of the non-reengagement constitute one of the reasons for non-reengagement mentioned in clause 5-8.02.

The arbitrator may annul the board's decision if the procedure prescribed was not followed or if the reason or reasons for non-reengagement are not well-founded or do not constitute sufficient cause for non-reengagement, may order that the teacher in question be reinstated in his or her duties and may determine, if need be, the amount of the compensation to which he or she is entitled.

- 5-8.10 The lack of legal qualifications may not be invoked against a teacher who has met, within the time limits prescribed, the conditions set for obtaining the legal qualifications but who has not produced the required documents due to an administrative delay not attributable to him or her.

5-9.00 **RESIGNATION AND BREACH OF CONTRACT**

Resignation

- 5-9.01 The teacher shall be bound by his or her contract of engagement for the duration specified therein. However, the teacher may resign from the board without penalty fifteen (15) workdays after notifying the board. The teacher may resign prior to the expiry of the time limit, provided the board engages a replacement for the teacher.

In the case of a resignation submitted between June 15th and the first workday of the school year, the time limit is fifteen (15) days.

Breach of Contract

- 5-9.02 When a teacher does not report to the school administration or does not assume the duties to which he or she is assigned and fails to give valid reasons for the absence within five (5) workdays from the beginning of the absence, the absence and failure to give valid reasons constitute a breach of contract, retroactive to the date of the beginning of the absence. There is no breach of contract if the teacher does not give valid reasons within the time limit prescribed due to physical or mental incapacity or due to circumstances beyond his or her control, proof of which shall be the responsibility of the teacher.

- 5-9.03 A teacher who is on a leave without salary that terminates at the end of a school year and who fails to give notice of his or her intention to resign within the time limit specified in clause 5-9.01 shall be considered as returning to work. However, the teacher who does not return to his or her position on the first workday of the school year during which he or she must return to work shall be in breach of contract as of the second workday of that same year.
- 5-9.04 The fact that a teacher uses his or her leave of absence without salary for purposes other than those for which he or she obtained it may constitute a breach of contract as of the beginning of the leave, unless there is an agreement between the teacher and the board.
- 5-9.05 Failure on the part of a teacher to signify, under clause 5-7.09, that a judgment has been rendered in his or her case within the time limit specified in that clause constitutes a breach of contract by the teacher, commencing from the date on which he or she was relieved of his or her duties.
- 5-9.06 In the case of a breach of contract within the meaning of clause 5-9.02, 5-9.03, 5-9.04 or 5-9.05, the contract shall not be terminated automatically. Such a breach of contract shall constitute a reason for dismissal and shall have the effect of allowing the board to terminate a teacher's contract of engagement according to the procedure prescribed in clauses 5-7.03, 5-7.04 and 5-7.06.
- 5-9.07 Such termination is retroactive to the date specified in clauses 5-9.02 to 5-9.05.
- 5-9.08 Such a breach of contract cannot have the effect of canceling the payment to a teacher of any amount owing under the agreement.

- 5-11.02 In the event the Board wishes to contest the reasons given for an absence, it must do so within the 30 days of the submission of the report on the absence. It shall do so by notifying the teacher in writing, with a copy of the notice being sent to the Association.

In the 15 days following the receipt of the notice of contestation referred to in the previous clause the teacher and/or the Association may make

5-11.03 A teacher returning to duty shall notify the Principal or his/her delegate in accordance with existing procedures.

5-11.04 All absence forms for medical absences of more than four consecutive days must be accompanied by a medical certificate in order to be considered complete.

In this case, teachers shall remain on duty until the dismissal of the pupils has been completed to the satisfaction of the school administration.

5-12.00 **CIVIL RESPONSIBILITY**

5-12.01 This article also applies to casual supply teachers, teachers-by-the-lesson and hourly paid teachers.

5-12.02 The board shall undertake to assume the case of every teacher whose civil responsibility might be at issue during the actual performance of his or her duties during the workday or outside the workday when the teacher is carrying out activities specifically authorized by the school administration. The board agrees to make no claim against the teacher in this respect, unless a teacher has been found guilty of serious fault or gross negligence by a court of law.

5-12.03 As soon as the legal responsibility of the board has been established by a court of law, the board shall indemnify every teacher for the total or partial loss, theft or destruction of personal belongings which by their nature are normally used in or brought to school, unless the teacher has shown gross negligence which has been established by a court of law. However, in the case of theft due to breaking and entering, or of destruction due to acts of

The granting of such a leave shall be the exclusive responsibility of the Board; however, in the case of a refusal, the Board, if the teacher so requests, shall provide the latter with the reason for its refusal. The reasons so given in good faith shall not be contested.

5-15.05 All applications for leaves of absence without salary, or any extension thereof, must be submitted in writing to the Director of Human Resources.

- 5-21.14 These assignment preferences shall be taken into account when the provisional assignments of teachers in a school are determined by the school administration for the following school year.

- 5-21.15 Before May 15th of each year, the Board shall post in each of its schools a provisional list of the staffing needs which remain to be met for the following school year indicating the pertinent information.
